UNIVERSITY OF SCIENCE AND TECHNOLOGY during the academic year of 2014/15 while you remain as a student studying

at THE HONG KONG UNIVERSITY OF SCIENCE AND TECHNOLOGY and your limit of stay in the HKSAR remains unexpired. The duration of the internship is up to one year or one-third of the normal duration of BEng in

whichever is the shorter. Nevertheless, the internship cannot take place before you are officially registered with THE HONG KONG UNIVERSITY OF SCIENCE AND TECHNOLOGY and begin attending the scheduled classes of BEng in

in Hong Kong, or when you have fulfilled all the course/credit requirements for graduation, e.g. you have just finished your final year of study.

Please note that the Director of Immigration's "no objection" set out in this letter will only be valid on the condition that you have a valid permission to remain as a student in Hong Kong. In the event that you switch to another institution and/or study programme (even within the same institution), the "no objection" by the Director of Immigration shall lapse and the relevant terms set out in this letter will no longer apply. Your eligibility for taking up study/curriculum-related internship will be assessed afresh.

Please be reminded that you are not allowed to take up any employment outside the scope set out in this letter without permission from the Director of Immigration. A breach of any condition of stay will render you liable to prosecution and removal from Hong Kong under the Immigration Ordinance, Cap. 115.

Yours faithfully,
